

SAMPLE COVER LETTER

(Please copy this section, fill in the required information, include hand-signed signatures, and submit it as a scanned PDF file.)

To enable international peer review of your manuscript, we require a hand-signed cover letter from the corresponding author containing the following elements:

1. Manuscript information

Authors:

Title:

We confirm that the manuscript represents an **original scientific contribution that has not been previously published in any journal or conference proceedings**, and that it is free from any form of scientific plagiarism.

2. Conflict of interest

We declare that there is no conflict of interest among the involved institutions.

3. Copyright statement

We understand the copyright policy and agree to the terms and conditions of the journal.

4. Author information

The academic or professional positions of all authors should be specified (e.g., doctoral student, associate professor, full professor, head of department, professional engineer, etc.).

5. Suggested reviewers

A list of at least three suggested reviewers is mandatory. For each reviewer, please provide their full name, academic or professional position, department, institution, city, country, and valid institutional e-mail address.

Hand signature and institutional e-mail address of the corresponding author:

Place (city):

Date:

Important:

Please note that your manuscript will **not be officially submitted** until the hand-signed cover letter has been received.

Please return the completed and signed cover letter as a scanned PDF file.
