I za kraj, da možda spomenemo samo to da od koristi mogu biti i informacije o znanstveno-istraživačkim projektima pod okriljem DOE-a. Klikom na sliku loga DOE-a na početnoj stranici (u vrlo primjetnoj rubrici *Agency Information*) dolazi se do brojnih podataka o značajnim prijašnjim projektima koji su imali znatan ekonomski utjecaj, koji su poboljšali život čovječanstva ili su bit-

no unaprijedili znanost (*DOE R&D Accomplishments*); do informacija o recentnim istraživačkim naporima (*DOE R&D Highlights*); te, posebno zanimljivo, do tekućih informacija o približno 20000 razvojno-istraživačkih projekata (*DOE R&D Project Summaries*).
